BITS & PIECES -

Wish a Happy 100th to a Ham Radio Legend

Leo Meyerson, W0GFQ, a longtime leader in the ham radio industry as owner of World Radio Laboratories (think Globe Scout and other Globe radios from the "golden age" of ham radio), will turn 100 years old in February.

QCWA Chapter 154 is hosting a birthday party for Leo and running a special event station (W0G) on February 24. (Look for W0G on or near 14.260 MHz between 1800 and 2400 UTC. QSL via the operator you contact.) Leo is planning to be listening in, and may even make some contacts himself.

In addition, QCWA national president Bob Roske, N0UF, suggests that all hams who would like to join the celebration write "Happy 100th Birthday, Leo" on a QSL card and mail it to: Leo Meyerson, W0GFQ, 19 Park Lane, Rancho Mirage, CA 92270. [K4UK]
